

FOR *our* CHILDREN!

Oh Immaculate Heart of Mary,
Mother of the Infant Babe of Bethlehem,
and Our Mother, enkindle in our hearts
the spark of thy great love for the
children of the world.

It was three innocent children that you
deigned to appear, revealing the message of
Fatima, and charging them with its propagation.

**We know no better way to show our regard for them,
dear mother, than to offer our prayers for all children
everywhere.**

**Therefore, O mother dear, we ask thee to
watch over all children in all parts of the world, to guard and
protect their homes, to preserve the schools wherein they learn,
and to keep them from being trained with godless education.**

**Direct them in their lay and in all their works that they
may grow in age, wisdom, and the love of God.**

**Grant too, Blessed Mother,
that the prayers of our children may hasten
the end of all wars of carnage and devastation and grant unto
the world an era of just and lasting peace.**

***We pray that the world may return to Jesus, thy Son,
Most Sacred Heart of Jesus and your Immaculate Heart.
through the prayers of the world's most powerful intercessors,***

Our Lady of Fatima, we beseech thee to inflame in the hearts
of our children a great renewal of Faith, Hope and Love so to ignite the
'flame of faith' in the faithless of our times.
